

MACCMA celebrate its 20th Anniversary

L

Last 25 October 2008 in JW Marriot Kuala Lumpur. On his speech the chairman of MACCMA mentioned that in the past 20 odd years, MACCMA has had its ups and downs and had faced its fair share of challenges. In 2008 MACCMA were faced with global economic crisis and pending economic downturn, for the corrugated industry, it has caused a market shrinkage. In view of this and to prevent unhealthy competition among members, MACCMA is in the process of formulating some sort of mechanism to prevent further deterioration of the industry. MACCMA
